MANY WAYS TO BRING COSTUME TRANSFORMATION TO YOUR VIEWERS

Julie Anderson, award-winning couture costume designer and owner of **costumesalon.com**, has over 15 years experience creating transformative experiences through the art of costuming. She believes wearing an outrageous, opulent costume is one way to tap into forgotten desires, secret selves, a sense of whimsy and fun.

❖ *Costume Transformation for Guests*

Anderson will consult with a guest of your show to choose the perfect costume. She and her staff will dress the guest from head to toe and prepare them for an evening out.

❖ *Custom-Made Costumes for Host(s)*

Anderson's mission is to help people remember how to have fun and enjoy life. This fall she will launch Fun 101, a company dedicated to the art of fun. How-to books, party planners and activity kits will be available to help people remember what they love about life.
